## Happy Diwali 2009 to our Agents and Students!

Auckland celebrated Diwali by featuring traditional and contemporary performances, a Bollywood dance competition, fashion shows, craft and traditional food stalls, spectacular lights and decorations and a fireworks display at the city's Viaduct.

Diwali symbolises the victory of righteousness, the triumph of light over darkness, good over evil and the renewal of life. It is the time when families light and place small oil lamps (diyas) and candles around the home and set off fireworks.

The International students of PBRs along with their tutors and the international team visited the festival on the 10<sup>th</sup> October and celebrated **Diwali 2009** in style!
